Sorry for not responding sooner. Friday after your email I called defense counsel about whether he would continue the case, but I haven't got a response. The case hinges on a civilian's testimony, and I am not sure she will respond to the summons. If possible, I would like to leave you on-call, and not have you start the long drive until I get that witness in the courthouse. Do you have a cell number you wouldn't mind sharing? I will contact you in as soon as I know whether I have the witness. (and I know that your Superior case is first in the line-up.)

Since I haven't heard anything from you regarding the [REDACTED] trial, I'm going to assume that I am on call for your case tomorrow. If you need me, please call me as soon as you know so I can plan accordingly (plus, it will take a while for me to get there from Amherst). With that said, I am guessing that I will not be testifying until after the lunch break, so I will let the ADA in my Springfield case tomorrow know that if she needs, it will need to be in the morning. Thanks.

Just curious if there have been any changes in the [REDACTED] case scheduled for trial on May 11, 2011? (I know you mentioned you were working on a new date) I'm wondering for two reasons: 1st, to let the ADA in Springfield know what is going on (I also have a case with her on 5/11/11) ; and 2nd, because I will be out of the lab on Monday and Tuesday (Pittsfield Superior Court and Wareham District Court) and want to make sure I bring my notes/etc. home with me if I am going to be going to Brockton on Wednesday. Thanks.

Hi Josh-

When we talked on the phone the other day I mentioned that I would try to get in touch with the Springfield ADA that I have a trial scheduled on May 11, 2011 with - the same day as the Manning case. The ADA has informed me that it looks like it will definitely be a trial. Also, I have received word from a Superior Court ADA (also in Springfield) that one of her cases has been continue to May 11th as well, so it does not appear as though I will be available for you in Brockton that day. I'm not sure if you can get your case continued or not, but here's my schedule for the rest of May as well as June so far (depending on when you can get the date changed, I may have already received a summons for your new date, so if it will be a while before you can get it moved, you may want to ask me for an updated schedule). I apologize for the inconvenience. Thanks.

Hi Karen-

I'm curious of the status of the [REDACTED] case scheduled for trial on May 11, 2011 as I have received a summons for a case in Brockton that day as well and I am trying to let the ADA there know if I'll be available for him or not. Thanks for your assistance.
